Second Interim Report 2017-18

The purpose of the Second Interim Financial Report is to discuss any factors that have had an impact on the current year budget and to provide an update on the overall financial condition of the district since the First Interim Financial Report. The basis for the financial report presented is the revenue and expenditure activity and information available through January 31, 2018. The projections of revenue and expenditures are based on district operations for the period July 1, 2017 through June 30, 2018.

The Second Interim Financial Report contains several components, which include the State financial activity forms for all funds, required Criteria and Standards review, multi-year projection, cash-flow projection and Board certification. These documents and other supplementary information are provided for Board review.

Revenue Overview

The General Fund revenues are projected to total \$42.2 million for the current year, an increase of \$376,556 since First Interim. The increase is a combination of Local Control Funding Formula (LCFF) changes, Federal restricted programs, minor State restricted funding adjustments, and local grants.

The Local Control Funding Formula (LCFF) revenue sources increased by \$31,539. The increase is the result of update calculation factors from the State.

Federal revenues increased by \$18,205. The revisions are the result of restricted program changes to reflect entitlement adjustments.

Other State revenue increased by \$207,680. Revisions here include adjustments to Lottery and Prop 39 funding.

Other local revenue increased by \$119,131. The revisions here are the result of local donations and grant awards.

Expenditure Overview

The General Fund combined restricted and unrestricted expenditures are projected to total \$45.1 million, an increase of \$340,601 since First Interim. Restricted programs increased by \$583,608 and unrestricted programs decreased by \$243,007.

Certificated Salaries decreased by \$34,401. The revisions here reflect changes in position control since First Interim.

Classified Salaries increased by \$20,939. The revisions here reflect changes in position control since First Interim.

Employee Benefits decreased by \$59,697. These revisions are related to the above salary changes for Certificated and Classified staff.

Books and Supplies decreased by \$111,020. The revisions here are a reflection of changes in site/department budgets being moved to other account ranges.

Services and Operating Expenditures increased by \$524,781. The revisions here are a reflection of changes in site/department budgets being moved to other account ranges as well as increases for Special Education costs.

General Fund Balance Overview

The combined restricted and unrestricted ending fund balance equals \$1,520,855 and reflects an increase equaling \$41,458. The increase is the result of increased revenues and expenditures explained above.

Enrollment and Attendance Overview

The current 2017-18 estimated ADA is projected at 3649. This is projected at 94% of the October 2017 CBEDS of 3,889. ADA will continue to be monitored and will be updated after P2

Multi-Year Projection Overview

An updated multi-year projection is included in this report and reflects the revenue, expenditures, enrollment and ADA numbers outlined above for the current year as well as for the two out-years. The ending fund balance for the current and two subsequent years will remain positive.

Cash Flow Overview

A cash flow analysis projected through this fiscal year-end has been completed. The General Fund report reflects a positive cash balance at year-end of \$409,955.

Other Funds

The other funds of the district are Special Education Pass-Thru Fund, Adult Education Fund, Cafeteria Fund, Pupil Transportation Equipment Fund, Special Reserve for Other Than Capital Outlay, Building Fund (Bond), Capital Facilities Fund (Developer Fee), County School Facilities Fund (State Grants), and Special Reserve for Capital Outlay. Necessary revisions have been made to applicable funds to bring revenues and expenditures up to date with activity since First Interim and all reflect positive ending balances.

Summary

At this time, it is recommended that the board approve a positive certification. It is anticipated that the District will be able to meet its obligations for the current and two subsequent fiscal years and will have a positive fund balance at year-end.

I would like to thank the Business Department staff for all of their input on this report. A special thanks to Lynn Dupree and Barbara Coolbaugh for their tremendous effort in getting this all put together.

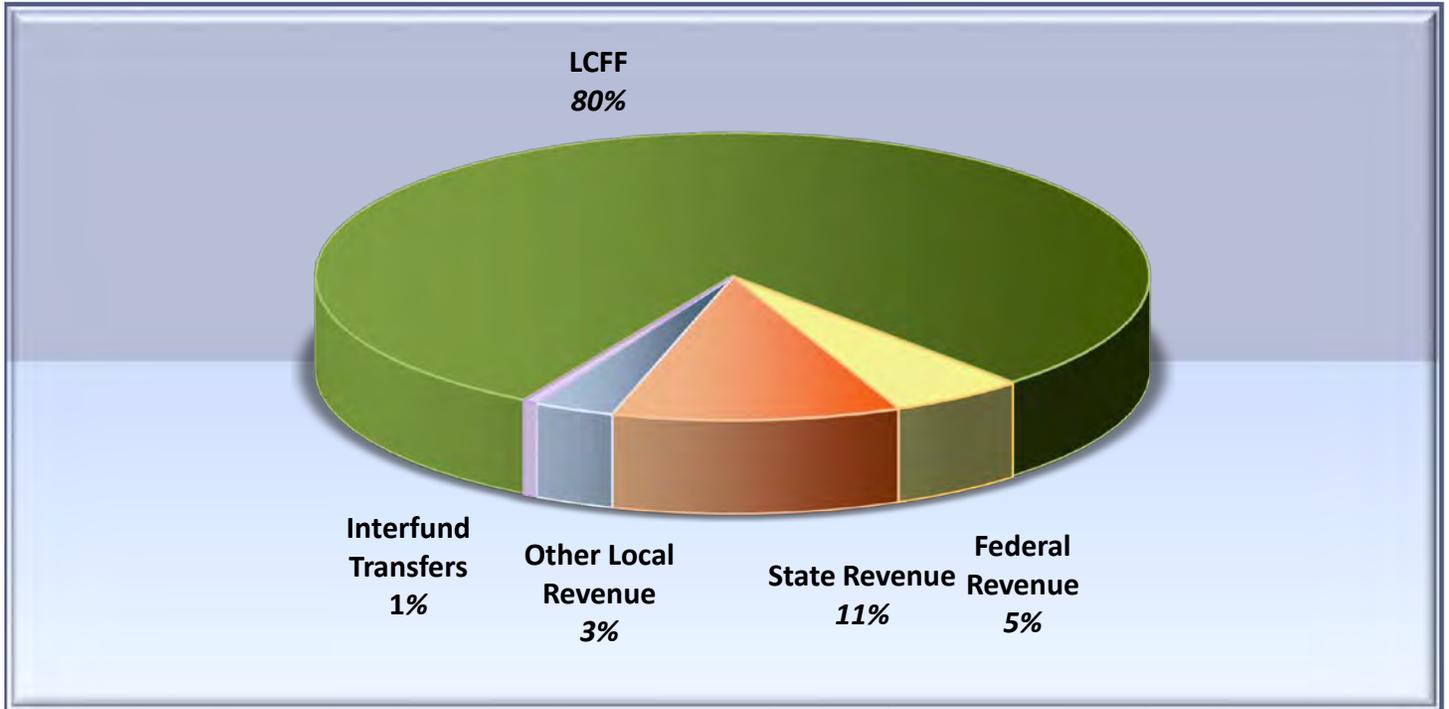

Regards,

Billy Wessell

Capital Facilities Developer Fees

Since January 1987, school districts have had the authority to levy developer fees for all new construction within the school district, including residential, commercial, and industrial development.

With the adoption of Senate Bill 50 and the passage of Proposition 1A by the California electorate on November 3, 1998, school districts are authorized to charge development fees based on prescribed state guidelines.

Lake Tahoe Unified School District board of Education has adopted fees of \$2.24 for residential and \$.36 for commercial development.

Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
