## **Complaints Concerning Discrimination In Employment**

AR 4031  
**Personnel**

### Complaint Procedure

Any complaint by an employee or job applicant alleging discrimination or harassment shall be addressed in accordance with the following procedures:

1. **Notice and Receipt of Complaint:** Any employee or job applicant (the "complainant") who believes he/she has been subjected to prohibited discrimination or harassment shall promptly inform his/her supervisor, the district's Coordinator for Nondiscrimination in Employment, or the Superintendent.

The complainant may file a written complaint in accordance with this procedure, or if he/she is an employee, may first attempt to resolve the situation informally with his/her supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the Coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

(cf. 0410 - Nondiscrimination in District Programs and Activities)  
(cf. 4030 - Nondiscrimination in Employment)  
(cf. 4032 - Reasonable Accommodation)  
(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

2. **Investigation Process:** The Coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five school days of receiving notice of the behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The Coordinator shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The Coordinator shall inform the complainant that the allegations will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective

investigation.

(cf. 3580 - District Records)

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

If the Coordinator determines that a detailed fact-finding investigation is necessary, he/she shall begin the investigation immediately. As part of this investigation, the Coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

When necessary to carry out his/her investigation or to protect employee or student safety, the Coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The Coordinator also shall determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents do not occur. The Coordinator shall ensure that such interim measures do not constitute retaliation.

3. **Written Report on Findings and Corrective Action:** No more than 30 days after receiving the complaint, the Coordinator shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator shall notify the complainant and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report also shall include any corrective action(s) that have been or will be taken to address the behavior, correct the effect on the complainant, and ensure that retaliation or further discrimination or harassment does not occur.

The report shall be presented to the complainant, the person accused, and the Superintendent or designee.

4. **Appeal to the Board of Education:** The complainant or the person accused may appeal any findings to the Board within 10 working days of receiving the written report of the Coordinator's findings. The Superintendent or designee shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 working days.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 9321 - Closed Session Purposes and Agendas)

Other Remedies

In addition to filing a discrimination or harassment complaint with the district, a person may also file a complaint with either the California Department of Fair Employment and Housing (DFEH) or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. To file a valid complaint with DFEH, within one year of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code 12960 (Government Code 12960)
2. To file a valid complaint directly with EEOC, within 180 days of the alleged discriminatory act(s) (42 USC 2000e-5)
3. To file a valid complaint with EEOC after first filing a complaint with DFEH, within 300 days of the alleged discriminatory act(s) or within 30 days after the termination of proceedings by DFEH, whichever is earlier (42 USC 2000e-5)

## **Child Abuse Prevention And Reporting**

BP 5141.4

### **Students**

#### Child Abuse Prevention

The Governing Board recognizes the district's responsibility to educate students about the dangers of child abuse so that they will acquire the skills and techniques needed to identify unsafe situations and to react appropriately and promptly.

The district's instructional program shall include age-appropriate and culturally sensitive child abuse prevention curriculum. This curriculum shall explain students' right to live free of abuse, inform them of available support resources, and teach them how to obtain help and disclose incidents of abuse. The curriculum also shall include training in self-protection techniques.

(cf. 6143 - Courses of Study)

The Superintendent or designee shall seek to incorporate community resources into the district's child abuse prevention programs. To the extent feasible, the Superintendent or designee shall use these community resources to provide parents/guardians with instruction in parenting skills and child abuse prevention.

(cf. 1020 - Youth Services)

#### Child Abuse Reporting

The Board recognizes that child abuse has severe consequences and that the district has a responsibility to protect students by facilitating the prompt reporting of known and suspected incidents of child abuse. The Superintendent or designee shall establish procedures for the identification and reporting of such incidents in accordance with law.

(cf. 0450 - Comprehensive Safety Plan)

Employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect. Mandated reporters shall not investigate any suspected incidents but rather shall cooperate with agencies responsible for investigating and prosecuting cases of child abuse and neglect.

The Superintendent or designee shall provide training regarding the reporting duties of mandated reporters.

In the event that training is not provided to mandated reporters, the Superintendent or designee

shall report to the California Department of Education the reasons that such training is not provided. (Penal Code 11165.7)

1. A physical injury or death inflicted by other than accidental means on a child by another person
2. Sexual abuse of a child, including sexual assault or sexual exploitation, as defined in Penal Code 11165.1
3. Neglect of a child as defined in Penal Code 11165.2
4. Willful harming or injuring of a child or the endangering of the person or health of a child as defined in Penal Code 11165.3

(cf. 3515.3 - District Police/Security Department)

3. An injury resulting from the exercise by a teacher, vice principal, principal, or other certificated employee of the same degree of physical control over a student that a parent/guardian would be privileged to exercise, not exceeding the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of students, or maintain proper and appropriate conditions conducive to learning (Education Code 44807)
4. An injury caused by a school employee's use of force that is reasonable and necessary to quell a disturbance threatening physical injury to persons or damage to property, to protect himself/herself, or to obtain weapons or other dangerous objects within the control of the student (Education Code 49001)

(cf. 5144 - Discipline)

(Penal Code 11165.7)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

#### Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11166.05, 11167)

Any district employee who reasonably believes that he/she has observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer. (Penal Code 152.3, 288)

#### Responsibility for Reporting

The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

Any person not identified as a mandated reporter who has knowledge of or observes a child whom he/she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. (Penal Code 11166)

## Reporting Procedures

### 1. Initial Telephone Report

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department. (Penal Code 11165.9, 11166)

Child Protective Services  
981 Silver Dollar  
South Lake Tahoe, CA 96150  
(530) 573-3201

When the initial telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

### 2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall then prepare and either send, fax, or electronically submit to the appropriate agency a written follow-up report, which includes a completed Department of Justice form (SS 8572). (Penal Code 11166, 11168)

The Department of Justice form may be obtained from the district office or other appropriate agencies, such as the county probation or welfare department or the police or sheriff's department.

Reports of suspected child abuse or neglect shall include, if known: (Penal Code 11167)

- a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter
- b. The child's name and address, present location, and, where applicable, school, grade, and class
- c. The names, addresses, and telephone numbers of the child's parents/guardians

d. The name, address, telephone number, and other relevant personal information about the person who might have abused or neglected the child

e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information

The mandated reporter shall make a report even if some of this information is not known or is uncertain to him/her. (Penal Code 11167)

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05. (Penal Code 11167)

### 3. Internal Reporting

The mandated reporter shall not be required to disclose his/her identity to his/her supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

### Training

Training of mandated reporters shall include identification and mandated reporting of child abuse and neglect. (Penal Code 11165.7)

Training shall also include guidance in the appropriate discipline of students, physical contact with students, and maintenance of ethical relationships with students to avoid actions that may be misinterpreted as child abuse.

(cf. 4119.21/4219.21/4319.21 - Professional Standards)

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)  
(cf. 5145.7 - Sexual Harassment)

### Victim Interviews by Social Services

Whenever a representative from the Department of Social Services or another government agency investigating suspected child abuse or neglect deems it necessary, a suspected victim may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

### Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

### Parent/Guardian Complaints

Upon request, the Superintendent or designee shall provide parents/guardians with a copy of this administrative regulation which contains procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

(cf. 1312.1 - Complaints Concerning District Employees)

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

(cf. 1312.3 - Uniform Complaint Procedures)

#### Notifications

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The district also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

Before beginning employment, any person who will be a mandated reporter by virtue of his/her position shall sign a statement indicating that he/she has knowledge of the reporting obligations under Penal Code 11166 and will comply with those provisions. The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his/her professional capacity or outside the scope of his/her employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee, on a case-by-case basis.

(cf. 5125 - Student Records)  
(cf. 9011 - Disclosure of Confidential/Privileged Information)

The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

- e. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision

(cf. 5145.6 - Parental Notifications)

#### Procedures

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

#### Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged

noncompliance by the district. (5 CCR 4630)

A complaint alleging unlawful discrimination shall be initiated no later than six months from the date when the alleged discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. (5 CCR 4630)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

### Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

### Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint. (5 CCR 4631)

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR 4631)

The district's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

#### Step 4: Response

Within 30 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

#### Step 5: Final Written Decision

The district's decision shall be in writing and sent to the complainant. (5 CCR 4631)

The district's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on the evidence gathered (5 CCR 4631)
2. The conclusion(s) of law (5 CCR 4631)
3. Disposition of the complaint (5 CCR 4631)
4. Rationale for such disposition (5 CCR 4631)
5. Corrective actions, if any are warranted (5 CCR 4631)
6. Notice of the complainant's right to appeal the district's decision within 15 days to the CDE and procedures to be followed for initiating such an appeal (5 CCR 4631)
7. For discrimination complaints, notice that the complainant must wait until 60 days have

elapsed from the filing of an appeal with the CDE before pursuing civil law remedies (Education Code 262.3)

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

#### Appeals to the California Department of Education

If dissatisfied with the district's decision, the complainant may appeal in writing to the CDE within 15 days of receiving the district's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's complaint procedures
7. Other relevant information requested by the CDE

The CDE may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists, including cases in which the district has not taken action within 60 days of the date the complaint was filed with the district.

#### Civil Law Remedies

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the

district has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint.

#### Tahoe/Alpine Special Education Local Plan Area (SELPA) Uniform Complaint Procedures

The school districts within the Tahoe/Alpine SELPA do not discriminate on the basis of national origin, race, religion, gender, age or disability. The SELPA Compliance Officer is the Director of the Tahoe/Alpine SELPA. The Compliance Officer will assist in resolving any complaint of discrimination against the district, its employees or contractors and students. The Compliance Officer will also assist complainants in preparing written complaints and will provide the information required by law. The Compliance Officer will refer complainants to other agencies responsible for the investigation and resolution of complaints when appropriate.

A complaint, which alleges a violation of the law under the IDEA must be in writing and contain the law or regulation that is alleged to have been violated, the facts which support the allegation and the name, address and telephone number of the complainant. If filed with the school district, it will be mailed or faxed to the California Department of Education (CDE), Compliance Unit, within 24 hours. If the complaint cannot be resolved by the complainant and the school district within 10 days, CDE will complete an evaluation within 60 days of the date the complaint was initially filed. If the complainant is concerned that there may be retaliation against him/her or his/her child if his/her identity is revealed to the school district, the complainant should file the complaint directly with the California Department of Education, Director of Special Education, P.O. Box 944272, Sacramento, CA 94244-2720.

Complaints of discrimination under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act may be initiated by filing a complaint with the school district or the SELPA, or these complaints may be filed directly with the Regional Director for Civil Rights, Region IX, 50 United National Plaza, San Francisco, CA 94102-4987, telephone: (415) 437-7700.

The Lake Tahoe Unified School District would like to work to resolve all complaints at the local level whenever possible. Complainants are invited to meet with the Compliance Officer in an attempt to resolve complaints informally. Confidentiality will be maintained as permitted by law. If the complaint cannot be resolved at this level, a formal investigation as outline above will be initiated or the issue will be referred to the appropriate agency.

#### Definitions

Public Education Agency (PEA) includes a school district and a county office of education.

Free Appropriate Public Education (FAPE) is defined by the federal law as an education (1) provided at the public expense, under public supervision and direction, and without charge; (2) meets the standards of the California Department of Education; and (3) is provided in conformity with a written individualized education program developed for a child to confer an educational benefit and to be implemented in a preschool, elementary, or secondary school program of the State. This education may be provided in a nonpublic or private school if there is no appropriate

program available by a PEA.

Independent Education Evaluation (IEE) means an assessment conducted by a qualified examiner who is not employed by the PEA providing an education to a child, but satisfies the same requirements of the California Department of Education (CDE) and the PEA; this assessment can be introduced as evidence in a due process hearing. Public Expense means that the public agency either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent. An IEE is also an option for the parent to elect at his/her own expense. The IEE may be a public expense if the parent requests payment by the PEA and prevails in a due process hearing convened at the request of the PEA to determine the appropriateness of the PEA's assessment. The names of the independent evaluators will be provided upon request.

Least Restrictive Environment (LRE) means that to the maximum extent appropriate, children with disabilities will be educated with children who are not disabled, and that special classes, separate schooling, or other removal of children with disabilities from the regular education program will occur only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

Notice of Rights means that parents/guardians have a right to receive a written copy of the due process rights pertaining to the child when (1) the child is referred for special education, (2) a written notice of an IEP Team meeting is sent to the parent/guardian, (3) before the three-year re-evaluation, and (4) when a complaint is registered with the California Department of Education. The written notice of rights must be in the native language of the complainant, unless it is clearly not feasible, or in the complainant's primary mode of communication, if that language is not written. Additional information about rights is available through the SELPA Office at (530) 541-2850 or CDE Parent Information Line at (800) 434-2465.

The Individuals with Disabilities Education Act (IDEA) defines children with disabilities as children with mental retardation, hearing impairments including deafness, speech or language impairments, visual impairments including blindness, serious emotional disturbance, orthopedic impairments, autism, traumatic brain injury, other health impairments or specific learning disabilities. In California special education is provided to disabled students between birth and twenty-one years of age. Federal and state laws offer protection throughout the procedures for evaluation and identification of special education placement and services.

Consent means that the parent (parent includes a guardian, surrogate and non-conserved adult student) of the student has been given all information relevant to any activity for which consent is sought in his/her native language or other mode of communication unless it is clearly not feasible to do so. A parent must understand and agree in writing to the implementation of the activity to which he/she consents. The consent form executed by the parent should contain a description of the activity and a list of records that will be released and to whom the records will be released in order to initiate or implement the activity. Consent is voluntary and can be revoked at any time.

Evaluation means the assessment of a child using various tests and measures in accordance with

Education Code Section 56320-56339 and 20 U.S.C. Section 141(a), (b) and (c) to determine whether the child has a disability and the nature and extent of special education and related services needed by the child for his/her educational benefit. The assessment tools are individually selected for the child and are administered by competent professionals employed by the PEA. These tests do not include the basic tests given to all children in the school setting5 CCR 4622.

Notification of Majority Rights means that the child has the right to receive all information about his/her education program and to make all decisions when he/she reaches the age of eighteen unless determined incompetent by state law and procedures. Non-conserved adults are presumed under the laws of the State of California to be competent.

(1 USC 7; 29 CFR 825.122; Family Code 297.5, 300; 2 CCR 7297.0)

#### Eligibility

The district shall grant family care and medical leave to eligible employees for the following reasons: (29 USC 2612; 29 CFR 825.112; Family Code 297.5; Government Code 12945.2)

1. Because of the birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child
2. To care for the employee's child, parent, or spouse with a serious health condition
3. Because of the employee's own serious health condition that makes him/her unable to perform one or more essential functions of his/her position, except that CFRA leave shall not cover an employee's disability on account of pregnancy, childbirth, or related medical conditions
4. Because of any qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a covered military member on covered active duty (or has been notified of an impending call or order to covered active duty)
5. To care for a covered servicemember with a serious injury or illness if the employee is the spouse, child, parent, or next of kin, as defined, of the servicemember

In addition to FMLA leave for disability on account of a pregnancy, childbirth, or related medical conditions pursuant to item #3 above, a female employee disabled by pregnancy, childbirth, or related medical conditions may be entitled to take leave for a reasonable period of time, not to exceed four months. (Government Code 12945)

#### Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of family care and medical

leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. (29 USC 2612; Government Code 12945.2)

This 12-month period shall be measured forward from the date the employee's first family care and medical leave begins. (29 CFR 825.200)

Leave taken pursuant to the CFRA shall run concurrently with leave taken pursuant to the FMLA, except in the following circumstances:

1. Leave taken to care for a registered domestic partner or a child of a domestic partner. Such leave shall count as leave under the CFRA only. (Family Code 297.5)
2. Leave taken for disability on account of pregnancy, childbirth, or related medical conditions. FMLA leave taken for these purposes shall run concurrently with the California pregnancy disability leave granted pursuant to Government Code 12945. CFRA leave related to the birth of a child shall not commence until the expiration of the pregnancy disability leave. (Government Code 12945, 12945.2; 2 CCR 7297.6)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)  
(cf. 4261.1 - Personal Illness/Injury Leave)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. The basic minimum duration of the leave for birth or placement of a child shall be two weeks. However, the district shall grant a request for leave of less than two weeks' duration on any two occasions. (29 USC 2612; 2 CCR 7297.3)

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 weeks. This restriction shall apply whether or not the parents are married, not married, or registered domestic partners. (29 USC 2612; Government Code 12945.2)

#### Use/Substitution of Paid Leave

Except for pregnancy disability leave, during the period of family care and medical leave, the district shall require the employee to use his/her accrued vacation leave, other accrued time off, and any other paid or unpaid time off negotiated with the district. If the leave is because of the employee's own serious health condition, the employee shall use accrued sick leave pursuant to the collective bargaining agreement and/or Board policy. (29 USC 2612; Government Code 12945.2)

(cf. 4141/4241 - Collective Bargaining Agreement)  
(cf. 4161/4261/4361 - Leaves)

#### Intermittent Leave/Reduced Leave Schedule

Leave related to the serious health condition of the employee or his/her child, parent, or spouse may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district may limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave. (29 USC 2612; 2 CCR 7297.3)

If an employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on planned medical treatment for the employee or a family member, the district may require the employee to transfer temporarily to an available alternative position. This alternative position must have equivalent pay and benefits, the employee must be qualified for the position, and the position must better accommodate recurring periods of leave than the employee's regular job. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced leave schedule. (29 USC 2612; 2 CCR 7297.3)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

#### Request for Leave

An employee shall provide at least verbal notice sufficient to make the district aware that he/she needs family care and medical leave and the anticipated timing and duration of the leave. The employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement; however, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 7297.4)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. (2 CCR 7297.4)

When the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or a family member, the employee shall provide the district with at least 30 days advance notice before the leave. The employee shall consult with the district and make a reasonable effort to schedule, subject to the health care provider's approval, any planned medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 7297.4)

When the 30 days notice is not practicable because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, the employee shall provide the district with notice as soon as practicable. (2 CCR 7297.4)

#### Certification of Health Condition

At the time of the employee's request for leave for his/her own or his/her child's, parent's, or spouse's serious health condition, or within five business days of the request, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (29 CFR 825.305; 2 CCR 7297.4)

The certification shall include the following: (29 USC 2613; Government Code 12945.2; 2 CCR 7297.0)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:
  - a. Statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the child, parent, or spouse
  - b. Estimated amount of time the health care provider believes the employee needs to care for the child, parent, or spouse
4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job
5. If the employee is requesting leave for intermittent treatment or is requesting leave on a reduced leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

The Superintendent or designee shall not request any genetic information, as defined in 42 USC 2000ff, from any employee or his/her family member except as necessary to comply with a certification requirement for FMLA/CFRA leave purposes or with the prior written authorization of the employee. Any such genetic information received by the district shall be kept confidential in accordance with law. (42 USC 2000ff-1, 2000ff-5)

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA as long as there is no individualized harm to the employee. (29 CFR 825.301)

If the Superintendent or designee doubts the validity of a certification that accompanies a request

for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (29 USC 2613; Government Code 12945.2)

If additional leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified in items #1-5 above. (29 USC 2613; Government Code 12945.2)

#### Fitness for Duty Upon Return to Work

Upon expiration of leave taken for his/her own serious health condition, an employee shall present certification from his/her health care provider that he/she is able to resume work.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

The certification from the employee's health care provider shall address the employee's ability to perform the essential functions of his/her job.

#### Rights to Reinstatement and Maintenance of Benefits

Upon granting an employee's request for family care and medical leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (29 USC 2614; Government Code 12945.2)

However, the district may refuse to reinstate an employee returning from leave to the same or a comparable position if all of the following apply: (29 USC 2614; Government Code 12945.2)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of those district employees who are employed within 75 miles of the employee's worksite.
2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.
3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

During the period when an employee is on family care and medical leave, he/she shall maintain his/her status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (29 USC 2614; Government Code 12945.2)

For a period of 12 work weeks, the district shall continue to provide an eligible employee on family care and medical leave the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the district for premiums paid during the family care and medical leave if he/she fails to return to district employment after the expiration of the leave and the failure is for any reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (29 USC 2614; 29 CFR 825.213; Government Code 12945.2)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

In addition, during the period when an employee is on family care and medical leave, he/she shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not be required to make plan payments for an employee during the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2)

#### Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid leave during the 12-month period established by the district while a covered military member is on covered active duty or call to covered active duty status for one or more qualifying exigencies. (29 USC 2612)

Covered military member means an employee's spouse, son, daughter, or parent on covered active duty or call to covered active duty status. (29 CFR 825.126)

Covered active duty means duty during the deployment of a member of the regular Armed Forces to a foreign country or duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or order to active duty. (29 USC 2611)

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment (up to seven calendar days from the date of receipt of call or order of short notice deployment)
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the active duty or call to active duty status
3. Arrange childcare or attend school activities arising from the active duty or call to active duty, such as arranging for alternative childcare, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a covered military member's

absence

5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to five days of leave per instance) with a covered military member who is on short-term temporary rest and recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting such leave for the first time shall provide the Superintendent or designee with a copy of the covered military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of his/her accrued vacation leave and any other accrued paid or unpaid time off, as specified in "Use/Substitution of Paid Leave" above, shall apply.

#### Military Caregiver Leave

The district shall grant up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date of leave taken, to an eligible employee to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, an employee must be the spouse, son, daughter, parent, or next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be either: (29 USC 2611)

1. A member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness

2. A veteran who, within the five years preceding his/her undergoing of medical treatment, recuperation, or therapy for a serious injury or illness, was a member of the Armed Forces, including the National Guard or Reserves

Son or daughter of a covered servicemember means the biological, adopted, or foster child, stepchild, legal ward, or a child of any age for whom the covered servicemember stood in loco parentis. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, or as designated in writing by the covered servicemember. (29 USC 2611, 2612)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a member of the Armed Forces, an injury or illness incurred or aggravated by the member's service in the line of duty while on active duty in the Armed Forces that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating

2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

The leave may be taken intermittently or on a reduced schedule when medically necessary. An employee taking military caregiver leave in combination with other leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

During the period of military caregiver leave, the district's rule regarding an employee's use of his/her accrued vacation leave and other accrued paid or unpaid time off, as specified in

"Use/Substitution of Paid Leave" above, shall apply.

#### Notifications

The Superintendent or designee shall provide the following notifications about state and federal law related to FMLA/CFRA:

1. **General Notice:** Information explaining the provisions of the FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (29 USC 2619; 2 CCR 7297.9)

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days notice of the need for the leave, when the need for the leave is reasonably foreseeable. (2 CCR 7297.4)

2. **Eligibility Notice:** When an employee requests leave or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (29 CFR 825.300)

3. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as appropriate: (29 CFR 825.300)

a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification

c. The employee's right to substitute paid leave, whether the district will require substitution of paid leave, conditions related to any substitution, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave

d. Any requirements for the employee to make any premium payments to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis

e. If applicable, the employee's status as a "key employee," potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial

f. The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave

g. The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of his/her receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

4. Designation Notice: When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

If the district requires paid leave to be substituted for unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a fitness-for-duty certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement.

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

#### Records

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500; Government Code 12946)

The district's injury and illness prevention program shall cover all district employees and all other workers whom the district controls or directs and directly supervises on the job to the extent that the workers are exposed to hazards specific to their worksite and job assignment. The obligation of contractors or other employers who control or direct and supervise their own employees on the job shall not be affected by the district's injury and illness prevention program. (Labor Code 6401.7)

The district's injury and illness prevention program shall include: (Labor Code 6401.7; 8 CCR 3203)

- a. Meetings
- b. Training programs
- c. Posting
- d. Written communications
- e. A system of anonymous notification by employees about hazards
- f. A labor/management safety and health committee

- a. Whenever new substances, processes, procedures, or equipment that represents a new occupational safety or health hazard is introduced into the workplace
- b. Whenever the district is made aware of a new or previously unrecognized hazard

(cf. 3514 - Environmental Safety)  
(cf. 3514.1 - Hazardous Substances)

5. A procedure for investigating occupational injury or illness.

6. Methods and/or procedures for correcting unsafe or unhealthful conditions, work practices, and work procedures in a timely manner, based on the severity of the hazard, when the hazard is observed or discovered.

When an imminent hazard exists which cannot be immediately abated without endangering employee(s) and/or property, these procedures shall call for the removal of all exposed staff from the area except those necessary to correct the hazardous condition. Employees needed to correct the condition shall be provided necessary safeguards.

7. Provision of training and instruction as follows:

- a. To all new employees
- b. To all employees given new job assignments for which training has not previously been received

These records shall be maintained for at least one year.
3. Review results of the periodic, scheduled worksite inspections.
4. Review investigations of occupational accidents and causes of incidents resulting in occupational injury or illness or exposure to hazardous substances. As appropriate, the committee may submit suggestions to the Superintendent or designee regarding the prevention of future incidents.
5. Review investigations of alleged hazardous conditions brought to the attention of any committee member. When determined necessary by the committee, it may conduct its own inspection and investigation to assist in remedial solutions.
6. Submit recommendations to assist in the evaluation of employee safety suggestions.

(8 CCR 3400)

The Superintendent or designee shall make adequate first aid materials readily available for employees at every worksite. Such materials shall be approved by a consulting physician and shall be kept in a sanitary and usable condition. The Superintendent or designee shall frequently inspect all first aid materials and replenish them as necessary. (8 CCR 3400)

# **Administrative Regulation**

## **Universal Precautions**

AR 4119.43 4219.43,4319.43

### **Personnel**

#### Definitions

Universal precautions are an approach to infection control. All human blood and certain human body fluids, including but not limited to semen, vaginal secretions and any body fluid that is visibly contaminated with blood, are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus (HBV), hepatitis C virus (HCV) and other bloodborne pathogens. (8 CCR 5193(b))

Personal protective equipment includes specialized clothing or equipment worn or used for protection against a hazard. General work clothes such as uniforms, pants, shirts or blouses not intended to function as protection against a hazard are not considered to be personal protective equipment. (8 CCR 5193(b))

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193(b))

Engineered sharps injury protection is a physical attribute built into a needle device or into a non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193(b))

#### Employee Information

The Superintendent or designee shall distribute to employees information provided by the California Department of Education regarding acquired immune deficiency syndrome (AIDS), AIDS-related conditions, and hepatitis B. This information shall include, but not be limited to, any appropriate methods employees may use to prevent exposure to AIDS and hepatitis B, including information concerning the availability of a vaccine to prevent contraction of hepatitis B, and that the cost of this vaccination may be covered by the health plan benefits of the employees. Information shall be distributed at least annually, or more frequently if there is new information supplied by the California Department of Education. (Health and Safety Code 120875, 120880)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)

#### Infection Control Practices

The Superintendent or designee shall ensure that the worksite is effectively maintained in a clean and sanitary condition, and shall implement an appropriate written schedule for cleaning and

decontamination of the worksite. (8 CCR 5193(d))

Where occupational exposure remains after the institution of engineering and work practice controls, the Superintendent or designee shall provide appropriate personal protective equipment at no cost to the employee. Such equipment may include gloves, gowns, masks, eye protection, and other devices that do not permit blood or other potentially infectious materials to pass through or reach the employee's clothes, skin, eyes, mouth or other mucous membranes under normal conditions of use. The Superintendent or designee shall maintain, repair, make accessible and require employees to use and properly handle protective equipment. (8 CCR 5193(d))

The Superintendent or designee shall provide handwashing facilities which are readily accessible to employees. When provision of handwashing facilities is not feasible, the Superintendent or designee shall provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. (8 CCR 5193(d))

For the prevention of infectious disease, employees shall routinely: (8 CCR 5193(d))

1. Perform all procedures involving blood or other potentially infectious materials in such a manner as to minimize splashing, spraying, spattering, and generating droplets of these substances.
2. Use personal protective equipment as appropriate.
  - a. Appropriate clothing, including but not limited to, gowns, aprons, lab coats, clinic jackets or similar outer garments, shall be worn in occupational exposure situations.

If a garment becomes penetrated by blood or other potentially infectious materials, the employee shall remove the garment immediately or as soon as feasible. All personal protective equipment shall be removed prior to leaving the work area. When removed, it shall be placed in an appropriately designated area or container for storage, washing, decontamination or disposal.

- b. Gloves shall be worn when it can be reasonably anticipated that the employee may have hand contact with blood, other potentially infectious materials, mucous membranes and nonintact skin, and when handling or touching contaminated items or surfaces.

Disposable gloves shall be replaced as soon as practical when contaminated, or as soon as feasible if they are torn, punctured, or when their ability to function as a barrier is compromised. They shall not be washed or decontaminated for reuse. Utility gloves may be decontaminated for reuse if the integrity of the gloves is not compromised, but must be discarded if they are cracked, peeling, torn, punctured, or exhibit other signs of deterioration or when their ability to function as a barrier is compromised.

- c. Masks in combination with eye protection devices or face shields shall be worn whenever splashes, spray, spatter, or droplets of blood or other potentially infectious materials may be generated and eye, nose or mouth contamination can be reasonably anticipated.

3. Wash hands and other skin surfaces thoroughly with soap and running water:
  - a. Immediately or as soon as feasible following contact of hands or any other skin or mucous membranes with blood or other potentially infectious materials
  - b. Immediately after removing gloves or other personal protective equipment

When handwashing facilities are not available, the employee shall use antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. In such instances, hands shall be washed with soap and running water as soon as feasible.

4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure.
5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.
6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs or forceps to clean up broken glassware which may be contaminated.
7. Use effective patient-handling techniques and other methods designed to minimize the risk of a sharps injury in all procedures involving the use of sharps in patient care.

(cf. 5141.21 - Administering Medication and Monitoring Health Conditions)  
(cf. 5141.24 - Specialized Health Care Services)

- a. Needleless systems shall be used to administer medication or fluids, withdraw body fluids after initial venous or arterial access is established, and conduct any other procedure involving the potential for an exposure incident for which a needleless system is available as an alternative to the use of needle devices. If needleless systems are not used, needles or non-needle sharps with engineered sharps injury protection shall be used.
  - b. Contaminated needles or other sharps shall not be broken, bent, recapped, removed from devices, or stored or processed in a manner that requires employees to reach by hand into the containers where these sharps have been placed.
  - c. Disposable sharps shall not be reused.
8. Handle, store, treat and dispose of regulated waste in accordance with Health and Safety Code 117600-118360 and other applicable state and federal regulations.
    - a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR 5193(d)(3)(D). Containers shall be easily accessible, maintained upright throughout use where feasible, and replaced as necessary to avoid overfilling.

b. Specimens of blood or other potentially infectious material shall be placed in a container which prevents leakage during collection, handling, processing, storage, transport or shipping.
