Item 4. Public Hearing Session

Bob Albrecht shared his concerns about school configuration and the impact it would have on his children. Changing the elementary schools to different grades levels could result in his own children being in 3 different schools. Through his work in alternative education, he has noticed that students who have changed schools many times seem to have problems with their learning process. He asked the Board to not consider this type of reconfiguration.

Item 5. Workshop

The Board reviewed materials, heard input from the Leadership team, and discussed the reconfiguration options that were available.
