REGISTER YOUR CHILD SOON FOR KINDERGARTEN IN SEPTEMBER

Children entering kindergarten in the Lake Tahoe Unified School District in September need to be registered at their local school. Parents are to register their children at their designated elementary school. Boundaries are available for viewing at www.ltusd.org or a map can be picked up at the Education Center (1021 Al Tahoe Boulevard).

To be eligible for enrollment, a child must be 5 years of age on or before December 2, 2006.

California law requires that you provide:

1. The child's birth certificate;
2. Proof of immunization, which includes the Varicella (Chicken Pox), Hepatitis B and for most children - the last booster shot.
3. TB skin test (Mantoux type only). The test must have been read within the past six months.
4. A health examination upon entry to school. Schedule with your family doctor or the Health Department at 573-3155; and
5. Proof of California residency.

Please call your school for an appointment to register. Staff will be available on August 14th.
