Independent Learning Academy (ILA)

What is the Independent Learning Academy?

The ILA is a program which meets the needs of independent learners and provides flexibility for those students who wish to study independently, while freeing their time to pursue other avenues of study or work.

Who is it for?

The ILA is for students enrolled in college prep high school classes, elementary and middle school home schooled students, and other independent learners.

Why was ILA created?

The ILA was established to offer families who wish to home school, and students who wish to work independently yet are looking for some extra assistance from highly-qualified teachers, an option in our district.

Elementary School Program

- **Personalized program designed by teacher, counselor, and parent**
- **One teacher/advocate for individual, standards-based instruction tailored to students strengths**
- **LTUSD enrichment activities available for all enrolled students**

Middle School Program

- **One-on-one instruction with a highly-qualified teacher**
- **Blended program with STMS**
- **Athletic participation and enrichment activities open to all enrolled, eligible students**

High School Program

- **Personalized curriculum: college prep or non-college prep**
- **Blended academic, athletic and extracurricular program with South Tahoe High School**
- **LTCC option**
- **Work experience program**
- **Online courses**
- **CAHSEE preparation**
- **Tutorial support in academics**

OUR GOAL

The goal of the Lake Tahoe Independent Learning Academy is to offer a standards-based, student-focused, academic option to all students in our community
