Re: Board of Education Meeting October 28 and District Newsletter

Hello LTUSD friends and families,

Happy snow day! Please know that it is always our intention to hold school when road conditions permit. The district understands that the late call today may have been frustrating to some. There is a process for calling a snow day which includes an assessment of road conditions and the ability for us to safely pick up and deliver students to school. This morning during the 5:00am hour it was determined that buses could chain up and safely roll, the afternoon looked clear, and the decision was made to hold school. As we approached 7am we began receiving calls reporting power outages affecting different neighborhoods and at least one of our school sites. Meanwhile, the snowfall increased and we were forced to re-evaluate bus safety as well as school site safety with the power outages. This is when the decision was made to cancel school. For families that were out in the elements this morning, we apologize. Canceling school is always a last resort and is not a perfect science. Today was one of those days - thank you for your patience and understanding.

Please note that an amended Academic Year Calendar was adopted at the October 14, 2021 Board of Education meeting. In response to the delayed start to the school year several adjustments were made including the last day of school being advanced to June 22, 2021 and Graduation day moved to June 17, 2021. Here is the new calendar in <u>English</u> and <u>Spanish</u>.

BOARD OF EDUCATION MEETING:

The next Regular Board of Education meeting is scheduled for 6:00 pm Thursday, October 28 (with Closed Session at 5:00pm) <u>Here is a link to the full agenda.</u> (Click on 10/28/21 in the right column.) The summary agenda is attached. The Boardroom is now able to accommodate up to 25 observers and masks are required for all attendees. The meeting can also be observed <u>via this YouTube link</u>. Public comments may be presented in person or in writing sent to <u>info@ltusd.org</u> before 12:00pm on the meeting date. Written comments will be read into the record - please type "Public Comment" into the subject line of the email.

Mt. Tallac Career Pathways program connecting South Lake Tahoe businesses to interns (South Tahoe Now) Mt. Tallac High School has a new Career Pathways Program that connects students to businesses in the South Lake Tahoe community. Sara Justice, the Mt. Tallac Career Coordinator, said they are looking for community businesses that are interested in hosting interns. The students need the opportunity to job shadow and learn specific skills in the areas of: Culinary arts, Law enforcement, Welding, Electrical, Construction, Fire, Auto mechanics & repair, Auto detailing, Information technology, and Cosmetology.

SOUTH TAHOE GRAD NIGHT is looking for volunteers to bring back this awesome event at Heavenly's Cal Base Lodge on Graduation Day...JUNE 17th! This Safe and Sober Event is sponsored by STHS Grad Night Task Force. This is an amazing group of parents that work together to pull off this special event for our graduating seniors. There is a job for everyone, be it leading a committee, being part of a committee, or volunteering for set up, or the night of. This is not limited to just senior parents as they are not allowed to be there the night of the event. It's a great opportunity for underclassmen parents to see what this fun filled event is all about. We are still in need of a Vice President, Raffel Coordinator, VendorCoordinator, Publicity, Food Coordinator, and much much more! The possibilities to help out are endless so please don't hesitate to reach out. Please contact: Cary Brown , 530/318-6865 sthsgradnight@gmail.com.

LTCC's MATH TUTORING CLUB is back! Math tutoring for LTUSD students of all grade levels is offered Monday through Thursday 3:30-5:00pm (except during Thanksgiving week) on a drop-in basis, starting Monday October 11th and ending Thursday December 9th. The location of the tutoring will be in its usual location of past years - in the mezzanine area between the first and second floors of the main building of the college. This has been a very successful program for LTUSD students and we are very grateful for its return!

Education Benefit Form: Every student who is under a certain income, learning English, or in foster care generates 20% more funding for our schools. In LTUSD these dollars are given to each school to increase or improve services for these students. Completing the Education Benefit Form ensures your school receives all available funds. Please <u>fill out the form here</u> - it only takes a few minutes and everyone that fills out the application, whether you qualify or not, automatically receives 50% off their <u>Chromebook insurance</u>! Be sure to write or print your confirmation number to submit with your Chromebook insurance document.

How Does the COVID-19 Vaccine Prevent Illness? (Author: Rhonda Sneeringer, MD) Some are wondering about the vaccine's effectiveness against the COVID-19 virus. With the emergence of the Delta variant, many people may know of a vaccinated person who's been infected with COVID-19 after vaccination. It can be confusing and even alarming, especially with the high risk associated with contracting the virus. But rest assured, the vaccine is effective and it is protecting us. Read more...
