

November 7, 2022

Good afternoon LTUSD,

Please be advised that tonight's Veteran's Musical Tribute at South Tahoe Middle School has been canceled. Staff are discussing alternative options and we will keep you informed.

We are very happy that today's 2-hour delay allowed for a day of learning! We hope that families received the 2-hour delay message via the Parent Square system. If you know of anyone who did not receive the message, please tell them to contact their school.

The district's snow day information can also be found at ltusd.org under [Schools - Snow Days](#). You can also follow LTUSD on Facebook: <https://www.facebook.com/ltusd.org> or Twitter: [@ltusdedu](#) where snow day messages are posted, or you can call the Snowline Information Number at (530) 541-2850 ext. 3.

We are closely monitoring the weather for tomorrow and will provide updates and notifications via all of the above methods as soon as feasible.

Thank you,

LTUSD Administration
