

Resolution No. 2016/17-13  
LAKE TAHOE UNIFIED SCHOOL DISTRICT  
**PROCLAMATION**

**WHEREAS**, Dr. Michael Doyle was first elected to the Board of Education of the Lake Tahoe Unified School District in 2007 and was re-elected for an additional term in 2011, dutifully serving a total of nine years.

**WHEREAS**, Dr. Michael Doyle is a Board-certified Pediatrician at Lake Tahoe Pediatrics, serving South Lake Tahoe's families since 1993. He is a graduate of the University of California, Berkeley, received his Medical Doctorate degree from the Medical College of Wisconsin, and completed his pediatric residency at UCLA's Cedars-Sinai Medical Center. He is connected to hundreds of families in our community and has formed trusting and enduring relationships with the families, students, and staff of Lake Tahoe Unified School District.

**WHEREAS**, Dr. Michael Doyle has played a vital leadership role in the operation and success of the District by providing a clear, shared vision of public education, setting high standards, creating learning opportunities for every child to achieve success, and building collaborative relationships based on trust, integrity, and teamwork.

**WHEREAS**, Dr. Michael Doyle is a father of six children and a doctor for children. Naturally, his life's dedication to the health and happiness of kids made him a fitting and vital asset to the Board of Education. Dr. Doyle's medical expertise has provided valuable insight in the areas of public health, wellness policy, physical education, early childhood intervention, childhood diseases, disabilities, immunization awareness, nutrition, and social/emotional development.

**WHEREAS**, Dr. Michael Doyle reveres academic success, and physical and mental health success, in equal measure. He encourages a balance of family-time, career and academics, and community service, along with healthy lifestyle habits. He gives his spare time to volunteering with school activities, attending fundraising events, and promoting community connectedness. He is an involved Grad Night volunteer as well as an enthusiastic South Tahoe High School Volleyball fan. And as an appreciator of the arts, he lends his wholehearted support to the District's Visual and Performing Arts programs.

**WHEREAS**, Dr. Michael Doyle is passionate about assuring a quality education and providing a healthy learning environment for every child. Alongside his fellow Board Members, Dr. Doyle worked tirelessly to oversee the \$64.5 million Measure G bond infrastructure improvements. His medical expertise and analytical skills assisted LTUSD in establishing the innovative Sports Medicine Career Technical Education program, the Strength & Conditioning Center, classroom technology advancements, and Common Core implementation, in furtherance of this community's educational vision.

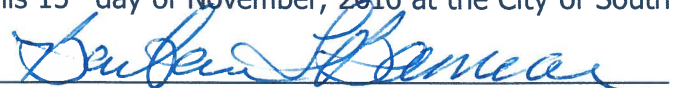

**WHEREAS**, in addition to Dr. Doyle's nine years of service to the LTUSD Board of Education, his many other pursuits include member of the LTUSD Early Start intervention team for over 15 years, Director of the Barton Memorial Hospital Nursery, member of the Medical Executive Committee at Barton Memorial Hospital, and Pediatrician whose very busy practice has allowed him to help thousands of families over the years. He is also an avid skier and outdoor enthusiast.

**NOW THEREFORE**, I, Barbara Bannar, on behalf of the Board of Education and the entire Lake Tahoe Unified School District, do hereby commend,

**DR. MCHAEL DOYLE**

and express our deepest appreciation for his 9 years of gracious support, dedication, and selfless service to our families, students, staff and community.

**IN WITNESS WHEREOF**, I have hereunto set my hand this 15<sup>th</sup> day of November, 2016 at the City of South Lake Tahoe, California.

  
Barbara Bannar, Board of Education President
